

# 50-State Comparison

## Statewide Longitudinal Data Systems

Did the state receive a federal SLDS grant? Years of the grant? Funding received?

August 2019

Over the course of six rounds of funding, the National Center for Education Statistics awarded SLDS Grants to 47 states, the District of Columbia and Puerto Rico to support projects related to data use. Those states and their applications — as well as additional information on grantee progress and grant use — can be found [here](#).
